- iii. Once the forms are completed they are to be forwarded to the WDOC Purchasing Manager for review and obtaining approving signatures.
- iv. Upon receipt of the purchasing card, the cardholder can then activate their purchasing card by calling the phone number on the front of the card and providing the activation information.

**C. Use of the Purchasing Card**

The card or card number cannot be given to another person. Employees other than the cardholder may receive or obtain the purchased goods from the vendor. The card is to be used by the person that it is issued to and can only be used to pay for approved agency expenses.
- 2. All purchases for goods and services made with the purchasing card shall adhere to the parameters set forth in WDOC Policy and Procedure #1.102, *Procurement*. Purchasing cardholders will review and be knowledgeable of the contents of the Procurement policy.

Split purchasing also relates to the purchasing card by dividing of a known quantity or failing to consolidate a known quantity of goods with the intent of and for the purpose of evading the purchasing card single transaction and/or monthly transactions purchase limits.
